Curriculum Vitae

Personal Information

- **Name:** Dr Ravi Shankar
- **Office Mailing Address:** 11 Jalan Tan Tock Seng, Singapore 308433
- **Email/Contact Number:** ravishankar@u.nus.edu / +65 80579790

Current Positions

- **Position:** Research Fellow
- **Department:** Clinical Research & Innovation Office
- **Institution:** Tan Tock Seng Hospital, National Healthcare Group, Singapore
- **Duration:** October 2025 – Current

- **Position:** Visiting Research Clinician Scientist
- **Department:** Rehabilitation Research Institute of Singapore (RRIS)
- **Institution:** Nanyang Technological University, Singapore
- **Duration:** October 2025 – Current

Past Experience

- **Position:** Research Fellow
- **Department:** Medical Affairs – Research Innovation & Enterprise
- **Institution:** Alexandra Hospital, National University Health System (NUHS), Singapore
- **Duration:** May 2022 – September 2025

Academic Qualifications

- **PhD:** Project Management, National University of Singapore, Aug 2017 - Dec 2021
- **Bachelor's and Master's Degree:** Bachelor and Masters of Technology, Indian Institute of Technology Madras, Chennai, India, Aug 2010 - May 2015

Research Interests and Skills

- **Research Interests:** Health Services Research; Health Policy; Health Technology Assessment; Digital Health Interventions; Implementation Science; Health Economics
- **Skills:** Randomized Controlled Trial Design; Grant Writing; Experience with innovative technologies (AI, VR) in healthcare; Economic Evaluation; Advanced proficiency in Python, STATA, and TREEAGE Pro for data analysis

Total Publications = 91; Average Journal Impact Factor = 4.6; H-Index = 13, i10-index = 17

Research and Innovation Projects (Total: SGD 672,663)

Funder/ Grantor Name	Grant Program Name	Role	Title	Total Project Value (DC + Salary Support + IRC)
NMRC	Healthy Longevity Catalyst Awards (HLCA) 2024	Principal Investigator	Potential of Artificial Intelligence to Track and Predict Cognitive Impairment in Stroke Rehabilitation	SGD 164,450
NUHS	NUHS Seed Grant Call - NUHS Seed Fund Junior (Mar 2024)	Principal Investigator	Enhancing Psychosocial Well-Being of End-Stage Kidney Disease Caregivers Through Virtual Reality-Based Mindfulness Interventions	SGD 140,820
Synapxe	Synapxe - GenAIus Challenge	Principal Investigator	Development and Evaluation of an AI driven Nursing Shift Handover Assistant	SGD 98,093
National University of Singapore	Academic Health Programme (AHP) Fund 2024	Principal Investigator	An AI-Driven Chatbot System (BOTANIC) for the Early Detection of Caregiver Burden in Caregivers of End-Stage Kidney Disease: A feasibility study	SGD 49,200
NUHS	NUHS Health Services Research (HSR) Seed Grant (Sept 2023 Call)	Co-Investigator	Comparing the level of agreement amongst a self-reported questionnaire, trained health coach evaluation, and sentiment analysis in classifying patients' readiness	SGD 220,100
